EMPLOYEE CAPITAL PLAN WITH PKO PENSION - SOIF

Good morning,

We are sending the latest [Market Commentary](#), which describes the most important market events of the past quarter.

Additionally, we provide information on how Employee Capital Plan (PPK) participants can easily check the status of their funds accumulated in the PPK.

A PPK participant can check the status of their PPK for free using the i-Fundusze service, as well as the IKO app and the iPKO service. They do not need to have a bank account at PKO BP SA to use the IKO app/iPKO service.

Employees can check how much their employer is saving for their retirement, and they can also track the status of accumulated funds and transaction history. [Learn more](#).

Please note that due to the planned future discontinuation of the i-Fundusze service, online access to PPK will only be possible through the **IKO app** and the **iPKO service**.

The **IKO app** for phones can be downloaded from the app store available on mobile devices.

After entering the phrase "IKO" or "PKO", search for the IKO app.

After logging into the IKO app/iPKO service, go to:
My Products → Investing → PPK and PPE.

We have included the informational materials as active links. Click on the words highlighted in the text to activate them.

Kind regards,
PKO TFI Employee Capital Plans Service Team
